DISCLAIMERS

- This is not intended to provide legal advice and is for illustration purposes only. For detailed information contact Barry Porrelli of Porrelli Law.
- This information is provided based on the date of summary. Manager contacts, Leases and circumstances can change.
- Unit numbers are estimated only.
- **ERRORS AND OMISSIONS EXCLUDED.**

*The importance of the Lease term, or whether there is or is not a Headlease, can be overestimated. Just because there is a 99 year lease, for example, does not mean that term extends to a homeowner. On the other hand, just because there are only a few years left on a lease, does not necessarily mean homeowners will be displaced at the end of the lease term. Contact Barry Porrelli for further discussion.
